A front-end web developer with a passion for art, design, and continuous learning. Combining a background in security and analytics with a love for creativity to produce unique and efficient projects.

Education

Front End Web Development Tech Degree

2021

Treehouse - Online Software Development Training

- An in-depth, extensive course that developed HTML, CSS, and JavaScript skills through 10 real-world responsive apps.

Bachelor of Science: National Security Studies

2015-2019

University of New Haven - West Haven, CT

- **GPA:** 3.5/4 Cum Laude
- **Relevant Coursework:** Intro to C Programming, Intermediate C/C++ Programming, Computer Networks & Data Communication, Computer Viruses, Info Systems Threat, Firewall & Sec Ent Comp, Data Structures, Operating Systems, Database Systems

Experience

Research & Operations Assistant

2018-2019

Center For Analytics, West Haven, CT

- Conducted projects utilizing data visualization software such as Tableau and Spotfire.
- Responsible for scheduling, organizing, and hiring a team of 60-70 people for various projects and events.
- Involved in the process for hiring foreign nationals (mainly Arabic speaking) as translators for research projects.

Damage Analyst Intern

2018

United Airlines, Chicago, IL

- Worked directly with United Airline Representatives with a focus on delivering visualizations of complex data sets.
- Developed dashboards on Spotfire that assisted leadership to reduce injuries, reduce equipment damages, improve operational reliability, and increase financial performance.

Highlighted Projects

Responsive Dashboard

- Built a responsive, mobile-first website using HTML, CSS, and JavaScript
- Incorporated SVG icons and interactive widgets using the chart.js library

Employee directory

- Used JavaScript to create a directory by communicating with an API
- Created a search bar that filters by user name and a modal with functioning arrows
