## PROJECT & RESEARCH EXPERIENCE

### **University of New Haven, Study Abroad**

*International Criminal Intelligence Analysis*

Copenhagen, DK

June 2017

- This program was hosted by the Danish National Police. Students were assigned to different investigative units to observe and analyze the different tactics used to solve crimes.
- A focus on abductive, inductive, and deductive reasoning was kept throughout the program and how each of these forms of thinking is used in criminal intelligence analysis.

### **University of New Haven, United Airlines Intern Program**

*Damage Analyst Intern*

West Haven, CT

June 2018 - Dec 2018

- Worked directly with United Airline Representatives with a focus on delivering visualizations of complex data sets that will assist leadership to reduce injuries, reduce equipment damages, improve operational reliability, and increase financial performance.

## WORK EXPERIENCE

### **Study Abroad Office/University of New Haven**

*Graduate Assistant*

West Haven, CT

Sept 2019 – Dec 2019

- Assisted students throughout the process of studying abroad to various countries such as Italy, Germany, France, Denmark, China, and Russia.
- These duties included including handling passports, obtaining visas, and documenting money orders.

### **Center for Analytics**

*Research & Administrative Assistant*

West Haven, CT

June 2018 - Mar 2019

- Responsible for scheduling, organizing, and hiring a team of 60-70 people for various projects and events
- Involved in the process for hiring foreign nationals (mainly Arabic speaking) as translators for our research projects. Chosen for side research projects utilizing data visualization software such as Tableau and Spotfire.

### **Clambakes of Connecticut**

*Caterer*

Derby, CT

April 2019 - Oct 2019

- Responsible for preparing, cooking, and serving an extensive menu to parties of 25-350 people.

### **The Imperia**

*Banquet Server*

Somerset, NJ

May 2015 - Aug 2016

- Part of a large serving staff who worked events such as weddings, birthdays, etc with parties ranging from 50-500 people.
